

**Cut Smartly!  
Cut Precisely!**

# **FRENCH FRIES CUTTER**

"PROCUT" offers two different model of French fries cutting machine (manual & automatic). Carbon steel blades and heavy duty body ensure smooth cutting of potatoes in different cutting size like (5, 7, 10, 12 mm). Manual machine is used at restaurants, cafe's and fast food restaurants while automatic machine is used at small/medium scale chips manufacturing plant.
